FOREWORD

In our first sale of the season, it is a pleasure to catalog and offer to the highest bidders the splendid quality coins collected by the careful numismatist, James C. Miller, over a long period of years. We advise collectors of Pioneer gold and other gold coins, and of half-dollars, quarters, dimes, and half-dimes, to fill in their cabinets now, as a collection of this fine quality is not often offered. A printed list of all the prices realized at this sale will be sent for 50 cents, cash with order in advance. In sending your half-dollar, wrap it in paper so it will not wear through envelope. Do not send stamps.

This sale also offers a very fine collection of United States large copper cents, with all dates and many rarities.

TERMS OF SALE

All coins and bills guaranteed genuine.

New bidders or customers sending in bids for the first time must positively give first class reference, bank reference preferably, or else send a deposit of at least 25% of the total amount of bids. Otherwise, their bids will not be accepted; application of such deposit will be made upon successful bids; the seller reserves the right to demand payment upon successful bids before delivery in his sole discretion. To those known to me who have established credit, a reference or deposit is not necessary and purchases will be sent out promptly after the sale. In appreciation of this courtesy the purchaser remits promptly.

Collectors who make unlimited bids will get the lots at 5% above the highest actual bid entered.

The terms are prompt cash settlement after sale, and no time given. Collectors who are not certain that they can pay promptly are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.

Remit by money order, draft, check, or in any way most convenient. **Stamps accepted for accounts that are below one dollar only.**

Coins will be bought below your bids where other offers permit, as this is competitive bidding, executed in good faith.

The usual charge of 5% will be made for executing your bids, and for packing and sending out material. No charge made on anything not actually purchased. **This fee is very low for the superior service I expect to give you.**

Receipted bills are not sent out after your remittance as this is unnecessary. **Your check, draft or money order itself is a receipt. However, if a 3-cent stamp is enclosed we will send receipt.**

Be certain that you bid on the lot you wish to buy. We will correct errors and adjust claims, but you should not expect us to pay for **your mistakes. Be careful** in making your bids. Be sure that you bid on the lot you wish to buy, and **at so much per piece.**

Bids must reach me by the morning of the sale. Mail them in time so as to avoid disappointment. At each sale some bids arrive too late to be executed.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, and there are no higher bids, the first received gets the lot. When two or more unlimited bids on a certain lot are sent, the first one received gets the lot at a 5% advance over the highest actual bid.

Between the seller and buyer, my position in describing the condition of coins and bills has been neutral. My classifications are generally considered to be conservative, by the collecting public.

It is easy to bid by mail. If you do not know how much to bid on any items, write me giving numbers in catalog and I shall be glad to inform you as to values. It is useless and a waste of time to make low bids that have no chance of success. I sincerely hope that each collector acquires some nice lots from this sale that give him a real thrill and joy of satisfaction.

Please bid by the piece unless stated to bid for the lot. Thus, if there are 12 pieces in a lot and you wish to pay $6 for the lot, then bid 50c. At each sale someone bids by the lot. Don't do this—bid by the piece.

PRICE LIST OF THIS SALE 50 CENTS

A printed list of all the prices realized at this sale will be sent for 50 cents, cash with order in advance. Wrap coin in paper so it will not wear through envelope. Stamps not wanted.

UNITED STATES SILVER HALF-DOLLARS

(One of the best collections in our many sales. Property of an old and experienced collector. The early dates such as the 1794's and 1795's are ten times as rare as the rarest commemorative half-dollars and of finer art.)

568. 1794 half-dollar. Wide date. Reverse, 21 berries in wreath. Haseltine No. 1. Fine, the hair and stars well struck up. Desirable and rare.
569. 1794 half-dollar. The date closer. Reverse, 19 berries. H. 2. Fine, unusually so, the best we have had. Perfectly centered. Haseltine describes this as an "excessively rare variety."
570. 1795 wide date. Reverse has 17 berries, 9 on left branch, 8 on right. Letter R touches eagle's wing. Haseltine No. 1; Beistle 1-Aa. Very good, of fine general appearance except for a small dent on upper reverse edge.
571. 1795 slightly wider date. Reverse 17 berries. Letter R does not touch eagle's wing. H. 2, Beistle 2-W. Very fine, strong even impressions. Very rare so choice.
572. 1795 close date. 17 berries, R touches eagle's wing. H. 3; B. 3-G. Fine and bold, even impressions, well centered.
573. 1795 wide date. R. 18 berries, 9 on each branch. Die break in raised lump between 5 of date and lowest star on right. H. 5; B. 5-I. Ex. fine. Very rare.

574. 1795 wide date, obverse as last with die break. Rev. 16 berries, 7 on left branch and 9 on right. H. 6; B. 5-J. Very good. Excessively rare variety.

575. 1795 date not quite so wide. Lowest curl cuts through first star; second curl touches second star. Rx. 16 berries. H. 7; B. 7-K. Fine, the hair and eagle's feathers well struck up. Rare.

576. 1795 close date; lowest curl has two points of the star touching it. Reverse: 17 berries in wreath, 10 on left branch, 7 on right. H. 8. Fine and bold; a few file marks on reverse. Rare.
